FIRE REGULATIONS

No smoking will be allowed anywhere inside the Show premises.

We are delighted to be holding our 33rd Championship Show this year

Once again we are at our very spacious venue, the George Stephenson Exhibition Hall at Newark. This venue has accessible easy free parking. It is a large hall which enables us to have a spacious layout allowing easy access for all to the cats, the stalls and the facilities. It is just off the A1 and on the edge of Newark town for anyone wanting to visit the shops or locality. Catering facilities are available within the hall and there is even an air museum close by!

As in previous years, we are sharing the date and venue with Lincolnshire Cat Club which means you can optionally enter your cat in both shows and, with only one day of travelling and associated costs and one vetting-in episode, have the chance of winning multiple awards on the same day.

We are holding a Best in Show competition and the Humberside Best in Show winner will compete with the corresponding Lincolnshire winner for the accolade Best of the Best with many prizes to be won.

Entry is significantly cheaper for Humberside Cat Club members, so do please consider joining the club. You can join at the same time as you enter the show and then you can enter our club members' classes. In addition, cats entered in both shows receive a further discount on entry fees. We are also offering a special kitten entry fee for members. Please note that only one entry ticket for each exhibitor is given with entry, regardless of whether you have entered both shows. The reduced entry fee for the second show reflects that. If an exhibit is owned by two people then there will be two entry tickets provided.

All exhibitors are eligible to enter the Derek Rawnsley Memorial Classes and compete for the chance to win a special rosette.

Membership renewals can be sent with your entry, and don't forget to tell us if your details (address, tel no, e-mail, etc) have changed.

Please either provide an e-mail address for confirmation of receipt of your entry, or enclose an unsealed S.A.E. for postal confirmation. This provides assurance that your entry has been received and processed.

We will also publish this schedule on the club's website, www.humbersidecatclub.uk. Further details of the club are there, as well as updates on our welfare work.

Finally we hope to see you at our show, and wish you luck with your entry.

Penny Akehurst, Show Manager

BEST OF VARIETY, BEST IN SHOW & BEST OF THE BEST JUDGES

Once again we are sharing our venue and date with the Lincolnshire Cat Club. Both clubs' shows will feature Best In Show judging (selected from Best Of Variety winners in each section), judged by **Mrs L Martin** who will select a 'Best In Show' exhibit for each show in both Pedigree and Household Pet sections, before endowing the ultimate accolade of 'Best Of The Best' chosen from the Best In Show winners.

Note: Exhibitors should be allowed the opportunity to trim claws prior to a rejection, but should not expect the veterinary surgeon to do this for them at vetting-in.

SPECIAL REQUEST FOR EXHIBITORS OF BRITISH SHORTHAIRES

GCCF has decided to replace the 'BRI' GEMS code for British Shorthairs with 'BSH'. Please would you use 'BSH' when completing your entry form

EXTRACTS OF SHOW RULES

PLEASE READ THESE NOTES CAREFULLY

The show is held under the rules of the G.C.C.F. and is open to all. The complete rules are not printed here but will be strictly applied. Ignorance of any rule will not be accepted as an excuse for its breach. A copy of the rules may be purchased from G.C.C.F., 5 Kings Castle Business Park, The Drove, Bridgwater, TA6 4AG.

Veterinary Surgeons will be in attendance to examine all exhibits, also to assist & advise the Show Management.

Exhibits will be received at the Show Hall from 0800 to 0945 on show day. Cats cannot be penned until they have been examined by one of the Club's Veterinary Surgeons.

All exhibits must be free from any vermin, have clean ears & be generally in good health. Cats will not be accepted which show signs of being in kitten, nor male cats which are either monorchid or cryptorchid, nor any cat which has produced kittens within 12 weeks of the date of this show. Officiating Veterinary Surgeons are instructed to exclude any cat showing skin lesions & are empowered to exclude all in-contact cats.

THE DECISION OF THE VETERINARY SURGEON IS FINAL AND IS NOT SUBJECT TO APPEAL.

All exhibits must be fetched to the show in suitable boxes or baskets and will not be accepted at the show on leads. All exhibits must be provided with a white litter tray and clean, plain white blankets without distinctive marking or edging, which may be arranged in such a manner as to assist the comfort of the cat. Judges are instructed to pass any pens which may be distinguished in any way. Exhibitors must provide white food and drinking bowls, which **MUST** be placed towards the rear of the pen.

Exhibits must not be removed from the show hall before the show is officially closed without the Show Manager's written consent. **EARLY PASSES WILL NOT BE ISSUED.**

Exhibitors & visitors are forbidden to remove or interfere with any exhibit other than their own.

Exhibits are received on condition that neither the Humberside Cat Club nor the Management of the Show Hall shall be in any way responsible for loss, damage or injury to the exhibits, exhibitors or their property however it may be caused.

On no account will entries be accepted over the telephone. Whilst every care is taken by section managers to check entry forms, it is the EXHIBITOR'S responsibility to ensure the description and details on entry forms are correct.

ENTRIES WILL NOT BE ACCEPTED WITHOUT FEES. Refunds will be given for any cats or kittens withdrawn before the published closing date but an administration fee of £5 per cat will be retained. A surcharge of £15 will be made where the club is involved in bank, telephone or postage charges as a result of exhibitor's cheques being returned by the bank.

The Committee on behalf of the Club retains the exclusive right to :

- a) Publish a catalogue of the show, containing information including the names and addresses of exhibitors and details of exhibits
- b) Cancel, divide and amalgamate classes
- c) Refuse to accept entries without giving a reason
- d) Fix a limit to the number of exhibits in the show
- e) Appoint other judges should those advertised be unable to fulfil their engagement, and to change judges of Miscellaneous and Club classes if necessary.
- f) retain a percentage of entry fees to cover essential expenses in the event of the show being cancelled for any reason.

Exhibitors are responsible for checking their entry in the catalogue is correct. Any discrepancies should be reported to the show management as soon as possible on the morning of the show.

All correspondence must be accompanied by a S.A.E. if a reply is required. Any complaint regarding the show must be forwarded to the show managers within seven days of the show.

All kitten breed classes will be split male/female.

Exhibitors who are not fully paid-up members by the published closing date will be disqualified from Humberside C.C. club classes.

VACCINATIONS

All cats exhibited at shows held under GCCF rules must have a current certificate of vaccination against FIE, FVR and FCV(cat flu). The full course or booster must have been completed more than seven days before the show. Cats without a valid vaccination certificate will be rejected under Section A unless the exhibitor undertakes to provide proof of vaccination valid for that show, by sending the certificate to the G.C.C.F. office within 7 days of the show. Failure to do so will lead to disqualification from the show and the cat's name will be placed on the veterinary rejection list until proof of vaccination is received in the office. Exhibitors (owners) are reminded that they are liable for the cost of any veterinary treatment required by their cat(s) in their absence from the show hall.

GENERAL GUIDELINES FOR ENTERING SHOWS

Where possible, always complete your show entry form from your G.C.C.F. registration document for the cat that is to be exhibited, **printing** the details carefully to avoid any misinterpretation of your handwriting. If the document you have is headed 'Application for the transfer of ownership of registered cats' this means that the cat is not registered in your name, and you must complete the form and send it back to the GCCF with the transfer fee as soon as possible. It must be received by the GCCF no later than 10 days before the show.

If you have not received your registration document at the time of entry, complete the show entry form with the details from the pedigree, giving the first choice of name if it is a non-prefix registration, and put RAF (Registration Applied For) and/or TAF (Transfer Applied For) as applicable in the Registration Number box. It is advisable to enclose a stamped self-addressed acknowledgment postcard with all registration and transfer applications, particularly for cats entered in shows, so that you know the application has been received by the GCCF.

Try to keep a copy of your entry form - then, when you receive registration details and number, check these against the entry form and notify the Show Manager in writing of any differences in the details, as well as giving the registration number if applicable. This may not be in time for the printing of the show catalogue, but the Show Manager should attach your letter to your entry form which will save unnecessary notification of discrepancies when that show is checked. All catalogue errors are checked against the original entry form and any exhibitors' letters are used for reference. Show managements are permitted to accept corrections, at their own discretion, up to the close of the show (on show day). Any such correction must not be an addition or substitution of any exhibit for which proof of entry cannot be validated, or a change of exhibitor/owner.

STATUS OF ERRORS - WHAT TO EXPECT

Minor Errors : These warrant a notification for your reference if the error occurs more than once and it is apparent that registration details were available at the time of entry or before the date of the show. Continuous repetition of the same error after notification will be referred to the Executive Committee.

Examples of minor errors include:

- (a) spelling errors
- (b) separation of cat's names that should be one word, and vice versa
- (c) administrative/breeder's prefix omitted or partially incorrect name given for exhibit
- (d) overseas title preceding the name of an exhibit, sire or dam etc.
- (e) full breed number known but not given
- (f) sire and dam reversed or named incorrectly
- (g) breeder joint when single and vice versa

Incorrect Date Of Birth : This is usually classed as a minor error unless it affects an entry into classes based on age groups, when it could warrant disqualification of the exhibit from such classes; but if the incorrect date of birth affects the age suitability as a whole, then the exhibit will be disqualified from the show.

Incorrect Name Of Exhibit/Owner/Breeder : If registration/transfer details were obviously available at the time of entry or before the date of the show, disqualification is inevitable.

Registration or transfer not received by GCCF 10 days before the date of the show : These entries will be disqualified. Remember, the effective date of all registrations and transfers is the first date of valid receipt by the G.C.C.F., and if you enclose your own stamped addressed acknowledgment card with your application form this will be stamped with the G.C.C.F. office date of receipt.

Transfer of exhibit from exhibitor to new owner received by GCCF more than 10 days before the date of the show : Such entries will be disqualified as the exhibitor's entry becomes invalid.

Incorrect or ineligible class entry : These will be disqualified from the class concerned, so always check with your Section Manager if in doubt about which class to enter. If a breed number is changed officially, it is important that you notify the Show Manager immediately. Exhibits entered in an Olympian, Imperial or Grand class, must have qualified on or before the published closing date of the show and the title must have been claimed in writing. Exhibitors who enter these classes without claiming the title will be reminded once, but if the title remains unclaimed the cat will be disqualified from the class at subsequent shows.

Cats registered on the Reference Register : No cat entered on this register is eligible to be shown, and therefore these entries will be disqualified. The only exception to this is when a new breed becomes recognised; then, cats of the breed may be shown even if they are registered on the Reference Register as long as this was the only reason for the Reference Registration.

Exhibitors may appeal against any disqualification resulting from show checking, giving their reasons. The appeal will be referred to the Executive Committee if considered valid and, if not, a letter of explanation will be sent to the exhibitor(s). The above advice, however, is aimed at keeping your show entries trouble-free.

DEFINITION OF CLASSES AT G.C.C.F. SHOWS

- Breed Class** Open to all untitled cats of the specified breed, must be GCCF Registered.
- Adult Cat** Not less than 9 months on the day of the show.
- Kitten** Not less than 14 weeks and under 9 calendar months on the day of the show.
Neuter kittens are entered in Kitten Breed and Miscellaneous classes, and compete for BIS Kitten.
Neuter kittens of Preliminary Breeds should be included in kitten Assessment classes where separate Assessment classes for Adult, Kitten and Neuter are scheduled.
- Neuter Cats** Neuter cats may only enter Neuter classes and may not compete with entire cats or kittens except in Club classes which are scheduled to include Neuters. - Novice** Exhibits that have not won a First Prize in any class at a show held under G.C.C.F. Rules.
- Limit** Exhibits that have not won more than four First Prizes in any class at a show held under G.C.C.F. Rules.
- Debutant** Exhibits that have never been shown at a show held under G.C.C.F. Rules. If Debutant Adult and Neuter classes are offered at a show, entry as a Debutant Kitten does not count when the exhibit is shown as an Adult or Neuter, and entry as a Debutant Adult or Kitten does not count when the exhibit is subsequently neutered and shown.
- Maiden** Exhibits that have not won a First, Second or Third Prize in any class at a show held under G.C.C.F. Rules.
- Breeders** Exhibits bred by the exhibitor(s). Cats originally registered in Breeders' joint ownership but changed to single ownership of one of the Breeders can still be entered in this class. - Junior** Cats over 9 calendar months of age and under 2 years on the day of the show.
- Senior** Cats 2 years and over on the day of the show.
- Exhibition** Cats, kittens or neuters attending the show for exhibition only and not entered in any competitive classes.
- Assessment** For preliminary breeds only. Entrants are reminded that it is their responsibility to provide a Standard of Points for their preliminary breed.

CLASSES DEFINED BY HUMBERSIDE CAT CLUB

- Non-Breeders** Cats or kittens not bred by the exhibitor.
- Adolescent** Cats between 9 and 15 calendar months on the day of the show.
- Aristocrat** Adult or Neuter with 1 or 2 CCs / PCs but not yet a Champion / Premier.
- Radius** Living within 50 miles of the show hall.
- Visitors** Living further than 50 miles from the show hall.

The status of the exhibit for entering restricted classes (i.e. Maiden, Limit, etc) shall be the cat's status on the date of entry except where Section 2, Rule 7e regarding entry into titled classes applies. Wins as a Kitten do not count when the exhibit is shown as an Adult or Neuter. Wins as an Adult do not count when the exhibit is neutered and shown. Merit awards do not count as wins for entering restricted classes, except when the cat was also placed first in the Assessment class.

EXHIBITION CLASS

Entry includes a 4ft pen, which may be decorated.

Exhibition-only cats will not be judged and no awards will be made
